

# REALLY COOL PLUS

## FULL SIZE DISINFECTABLE TOUCHPAD KEYBOARD

Your all in one keyboard and pointing device that is built to withstand conditions other keyboards cannot. Spill on it. Clean it. Wipe it or spray it. But don't worry about it. Its sealed and rigid surface makes it ideal for applications where moisture, germ control, and durability are a consideration. Especially since it can be easily cleaned with alcohol, 10% bleach solution and other potent disinfectants. Plus, it's ergonomic and comfortable to use. Now that's Really Cool, isn't it?

## FEATURES

- Promotes health and hygiene
- Excellent tactile feedback
- Suitable for moist and dusty environments
- Spill safe, easy cleaning
- Touch pad centered on the keyboard to allow both right and left handed users to operate it comfortably.
- Built to last – 10 year warranty
